A series of lectures will be given once a month by Alan Mulhern. Summaries of key texts, study guidance, suggestions for more reading, commentary on music/paintings, and questions for reflection will be provided.

Summaries of many key books, reading lists, videos and newsletters will be provided - the support system is extensive and requires a number of years to study more deeply. To make a reservation or receive more information please contact Alan Mulhern at: thepilgrimquest@gmail.com

The programme will suit those who are strongly committed to a search for personal vision – that is our *raison d'etre*. As well as a programme shared with others an individual quest is also encouraged. Wisdom is the fruit of both knowledge and the development of the inner world. A parallel, free meditation programme following the *The Secret of the Golden Flower* also takes place.
